 /rashedul-islam
 +880 1824-460330

Portfolio

Passionate learner with a background in Statistics and strong interest in Python development, web technologies, and ethical hacking. Currently focused on building skills through hands-on learning and projects. Eager to contribute to impactful projects, secure systems, and grow as a developer and cybersecurity professional.

Technical Expertise

- **Languages:**
Python (Basic-Intermediate), HTML/CSS (Learning), JavaScript (Planned)
- **Web Development:**
Basic frontend structure, planning to learn Flask/Django
- **Cybersecurity:**
Introductory knowledge of vulnerabilities (XSS, SQLi, IDOR); learning bug bounty techniques
- **Tools:**
Git, GitHub, VS Code, Burp Suite (Beginner), Linux CLI

Python Projects

- **Simple Calculator** 
Developed a desktop calculator using Python and Tkinter supporting basic operations with error handling.
Tech: Python, Tkinter
- **Body Fat Calculator** 
Python GUI app to calculate body fat % using U.S. Navy Method, with gender-based inputs and dynamic form.
Tech: Python, Tkinter, Math

Professional Experiences

Adarsha  | September 2023 – September 2024

Customer Support | Sales Assistant

As a Customer Service & Sales Assistant, I was responsible for handling customer inquiries across various platforms and ensuring smooth order processing while maintaining a high level of customer satisfaction.

Core Responsibilities:

- Responded to customer messages and comments on platforms such as Adarsha Website, Daraz, Facebook, Instagram, WhatsApp, LinkedIn, and YouTube.
- Processed orders and managed invoices to ensure accurate and timely delivery.
- Engaged with social media audiences and reported on activity performance.
- Maintained Standard Operating Procedures (**SOPs**) and checklists to ensure quality and efficiency.
- Met personal and team targets to align with Objectives and Key Results (**OKRs**) set by management.
- Executed special programs and initiatives as directed by management.
- Promoted a positive and cooperative workplace environment.
